Cleanse the Blood.

WITH CORRUPT
or tainted Blood, you are sick all over. It may burst out in Pimples or Sores, or in some active direase, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S NARSAPABILLA purges out these impurities; it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Eril, Tumors, Ulcars, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Titter or Salt Khaum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterdlity, also Syphilis or Venereal Diseases, Liver complaints, and Heart Diseases. Try Ayre's Sarsaplaints, and Heart Diseases. Try AYRE'S SARSA-PARILLA, and see for yourself the surprising activity orders.

Still we call this compound, "Sarsaparilla" and intend to supply such a remedy as shall rescue the name from the lead of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the class of disease it is intended to cure. We can assure the sick, that we offer them the best alterative we know how to produce, and we have reason to believe, it is by far the
